**2023/2024 Re-Registration and Tuition Fees**

Each year in early February, schools begin a budget and staffing preparation for the upcoming school year. Integral to the process is the re-registration of existing students. Before admitting new students, all existing students are given priority to re-register. The **deadline for re-registration is February 24<sup>th</sup>, 2023**. Until that date, there is no fee to re-register and placement can be secured for the 2023/2024 school year. Parents registering their children after February 24<sup>th</sup> are subject to a \$50.00 application fee and their acceptance cannot be guaranteed.

**FAMILY PAYMENT SCHEDULE INFORMATION**

Family Payment Schedules will be available for signature after **April 5<sup>th</sup>, 2023**. These **must** be signed by **April 28<sup>th</sup>, 2023**. Families who have not returned a signed Family Payment Schedule will be removed from school enrolment and considered **not registered**.

**DONATION TAX RECEIPTS**

We offer religious education in our schools, which enables parents to receive a charitable tax receipt for the religious portion of the tuition fees paid. The consequent tax reduction can be significant and is not available in non-denominational independent schools. Please note that the receipt amount depends on the number of children, the tuition rate, and the actual fees paid.

**FINANCIAL ASSISTANCE**

The Island Catholic Schools provide financial support for families who may require assistance. Families must submit a complete application with supporting documents (2022 Tax return) to your school's principal. Application forms are available at your school office or on the School and ICS website. The deadline for applying for financial assistance is **no later than May 1<sup>st</sup>, 2023**. Applications are to be submitted to the principal of your school. Families with children at multiple schools are to submit to St. Andrew's High School.

Although it is ideal that all applications be received by the deadline, we understand that a family's financial situation may change at any time throughout the year. Applications may still be considered after the deadline should this occur.
