## **New Student Applications**

Thank you for your application and interest for your child(ren) to join our Queen of Angels Catholic School family for the upcoming school year. We begin our new student interviews each spring after our re-registration process for existing families is complete. This consists of an assessment for each new applicant, followed by a meeting with the student, their parent(s)/guardian(s) and me. Should we have a limited number of spaces available in a particular grade; we adhere to our Island Catholic Schools Admission Policy as follows:

### **Rationale**

The Island Catholic Schools were established to provide an education for the Catholic students residing in the Diocese of Victoria.

Due to limited enrolment in Catholic schools it is necessary to ensure that all Catholics have the opportunity to enroll their children in a Catholic School before consideration is given to children of other denominations.

### **Procedure**

The following priorities will be adhered to in all Catholic schools in the Victoria Diocese. Students enrolled in our preschool must re-register and acceptance for all students K-9 will be based on the criteria listed below.

1. Siblings of Catholic students currently enrolled in an Island Catholic School.
2. Siblings of non-Catholic students currently enrolled in an Island Catholic School.
3. Children of Catholic families supporting Catholic parish(es).
4. Children of staff and alumni (if not included in the above).
5. Children of Catholic families not supporting a parish.
6. Children of non-Catholic families

Thank you for your interest in our school.

Sincerely,

Mr. Brian Untereiner  
Principal
