FINANCIAL ASSISTANCE APPLICATION **Note to Applicants (2024/2025)**

Parents are asked to carefully read the following:

- Following Christian values and teachings, we try to provide financial assistance to those who cannot afford to pay the regular school tuition fees.
- Funds for financial assistance are limited, and we ask all applicants to consider other forms of assistance, for example, assistance from grandparents and/or other relatives, if possible.
- Island Catholic Schools' income comes from a government grant, tuition fees and donations by individuals and parishes. The government grant represents about 40% to 50% of the school's expenditures and therefore tuition fees are a key funding source.
- The school/family relationship should be mutually supportive of each other. Families receiving assistance may be able to provide time and talent that will help the school save in other ways (for example spring yard clean-up, volunteering at the school etc.).
- It is the intention of the Financial Assistance Committee to assist the greatest number of families possible, therefore financial assistance may be less than the maximum eligible amount.
- The information given to the Financial Assistance Committee is CONFIDENTIAL.
- Applications for Financial Assistance must be returned to the school principal by May 1st, Attention of the Financial Assistance Committee.
- Only one application is required per family.
- Late applications will be considered for special circumstances or if a family's financial situation significantly changes during the year.

A copy of your 2023 Notice of Assessment from Canada Revenue Agency must be attached before the application will be considered.

Please retain a copy for your records.

If your financial situation has changed, please attach a letter of explanation, or include an explanation under special circumstances.
